Dear FOIA Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, et seq., I am requesting copies of the specific records listed below relating to the Tronox Navajo Area Uranium Mines (NAUMs) Sites. I believe these records may be held at the following USEPA offices or Region: Office of Inspector General; Office Mountains Deserts and Plains, Region 6 Superfund and Emergency Management Division (SEMD)

- USEPA's Prioritization Methodology and scoring sheets that were completed c. January 2021
- Tronox Navajo Area Uranium Mines Draft Settlement Funding Allocation Strategy, November 5, 2021 and all attachments
  - Comments and Responses to Comments on the Allocation Strategy
- The final version or any revised drafts of the Tronox Navajo Area Uranium Mines Draft Settlement Funding Allocation Strategy and attachments
- The report that includes the Tronox NAUM Cost Estimate Table and any background documents that formed the basis for that table.
- The four draft final EE/CAs that cover the 18 mines on private land in Ambrosia Lake, New Mexico.
- The draft EE/CA for the Section 32 and 33 mine sites, which have commingled mine waste contamination and are located on Navajo allotment land.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$250, so we can discuss scope and/or approval of additional fees.

If you have any difficulties or questions concerning this request, please contact me by phone at (213) 452-6336, or by e-mail at [lisa.simpson@fticonsulting.com](mailto:lisa.simpson@fticonsulting.com). Thank you very much for your prompt attention to this request.

Sincerely,
